How to Revise for GCSE

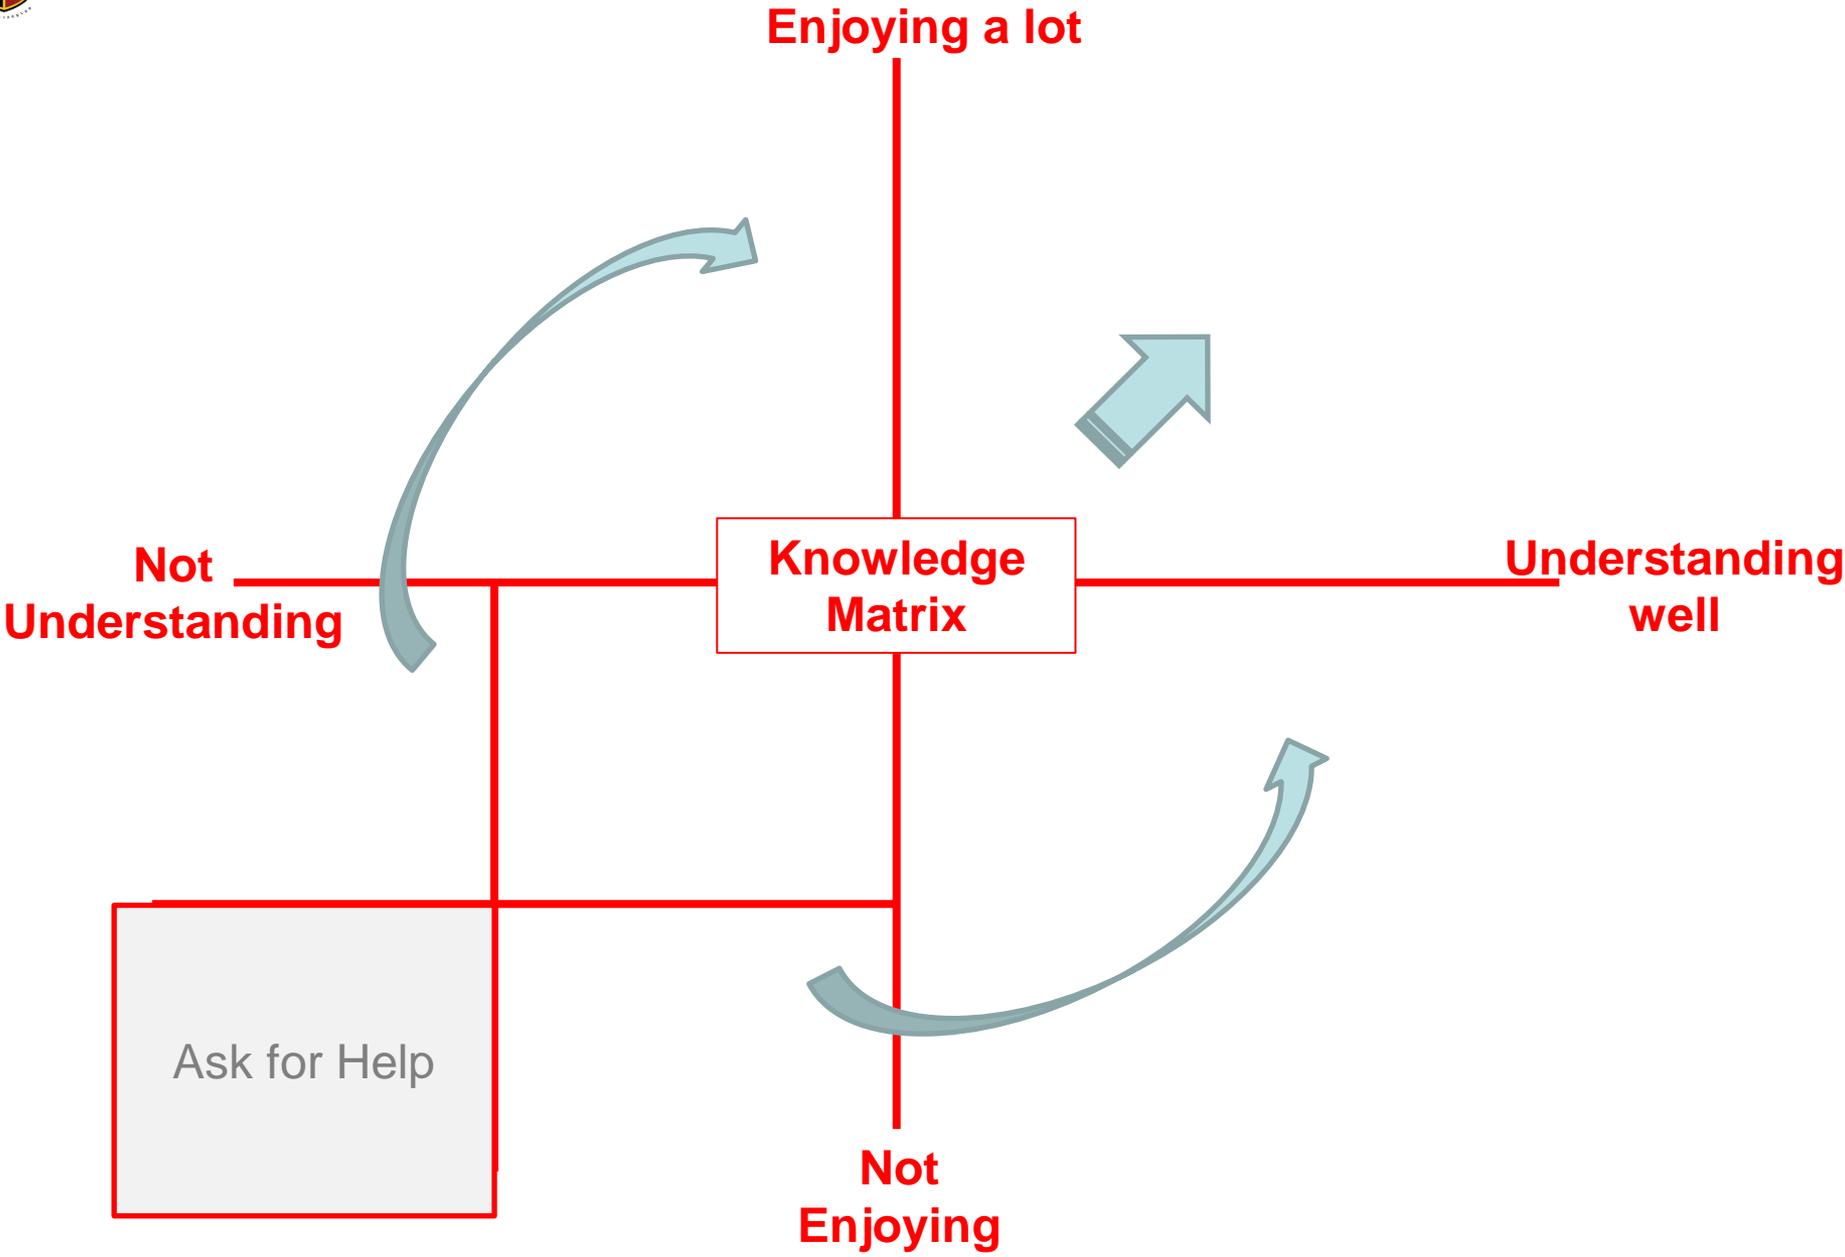

Study Skills & Revision Planner

Unbeatable advice from the revision experts!

Includes **Free** Online Edition

Extreme	High	Medium	Low	Idle
---------	------	--------	-----	------

Instructions

Make sure your Post-it note begins with a verb. E.g. finish, write, speak to, research etc

If there is a task on one Post-it note that fills you with dread, tear it up and bin it, Replace with three Post-it notes breaking the task down. If three still feels horrible break it down to five.

Restrict the number of tasks in each column. Extreme = 2, High, = 4, Medium = 8, Low = 4 and Idle = 2

GCSE GRADING

Learning Paths

Exceptional (E)

Proficient (P)

Core (C)

Foundation (F)

Learning Paths

– Forecast GCSE Outcomes

- Exceptional Grades 8-9
- Proficient Grades 6-7
- Core Grades 4-5
- Foundation Grades 1-3

Reporting Progress

- **BELOW** - Working below their baseline learning path – ***Making less than expected progress***
- **EXPECTED** - Working at the lower end of their baseline learning path – ***Making expected progress***
- **GOOD** - Working at the upper end of their baseline learning path – ***Making good progress***
- **EXCELLENT** - Working above their baseline learning path or at the top of Exceptional – ***Making excellent progress***

Reporting Progress

- Progress NOT attainment!
- Are the students making progress in line with their learning pathway?
- For example, a student making Expected progress on the Core pathway (providing progress is maintained) should go on to achieve at least a grade 4 at GCSE
- Good progress would suggest at least a grade 5

Forecast GCSE Grades with Expected/Good Progress		
Learning Path	Abbrev	GCSE
Exceptional	E	8-9
Proficient	P	6-7
Core	C	4-5
Foundation	F	1-3

Reporting Progress

- **Providing the Learning Path for a student is a realistic one, we would expect the majority of students to be making either EXPECTED or GOOD progress.**

Effort Grades

1. Exceptional levels of effort
2. Good levels of effort
3. Can work well, but sometimes not to full potential
4. Inconsistent effort - often lacks enthusiasm and commitment
5. Makes little or no effort

Effort Grades

- Effort grades will help to explain why a student isn't making the progress his learning path suggests he should be. This may be due to one of the following:
 - A lack of effort
 - If a student's progress is **BELOW** that expected, but effort is excellent, this might suggest that he is on too high a learning path.

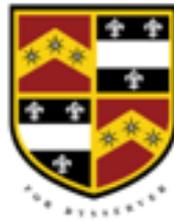

Effort Grades

- Conversely, if a student is making **SUSTAINED** Excellent progress (over the course of a couple of sets of progress grades), this suggests that the student needs moving up to a higher learning path.

Concern Codes

- H – Homework
- A – Attendance/Punctuality
- E – Equipment/Organisation
- B – Behaviour
- P – Participation and Engagement
- Single codes, or a combination of any two of the above codes can be reported to parents.

Further Feedback:

To obtain a richer view of the curriculum in each subject please click on the 'Subjects' link at www.carres.uk.

Each year group has one Parents' Evening a year. This is an opportunity to meet and discuss with teachers the progress in each subject and to receive more feedback regarding progress. Should you require any further feedback prior to the next evening, please contact your son's subject teacher via enquires@carres.uk.

Wellbeing Ambassadors

- All current Year 13 students based here at Carre's.
- Offer a 'student to student' support base.
- Their role is to offer a friendly face for students who may not feel comfortable approaching staff in the first instance.
- Each are trained to offer support and will listen non-judgmentally.
- Can offer 'face to face' support in the wellbeing hub or students can email 'anonymously': wellbeingambassadors@carres.uk

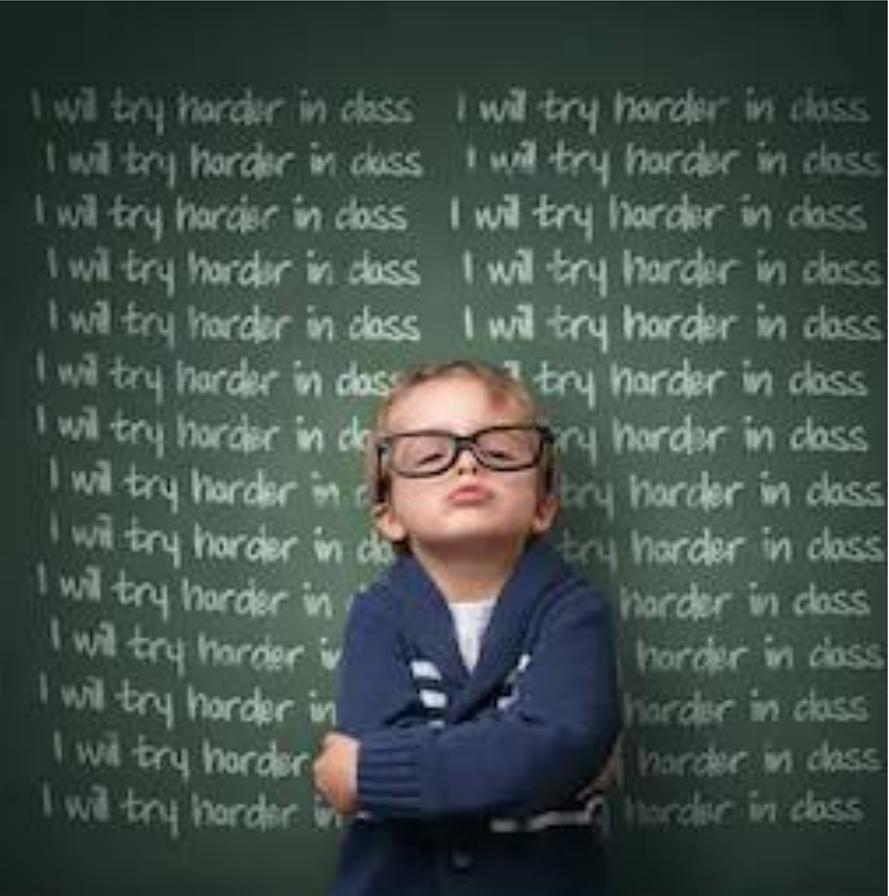

Our Year Group Expectations

- Be kind-treat others how you expect to be treated.
- Be hard working.
- Be independent and resourceful.
- Be resilient.
- Be proud to wear the Carre's Grammar School uniform!
