Dear Melita

The Queen's Award for Voluntary Service 2022

We were delighted to receive a nomination for The Robert Carré Trust Duke of Edinburgh Award Scheme Volunteers for The Queen's Award for Voluntary Service 2022. This has been considered very carefully by our local assessors and the independent National Assessment Committee, and I am now writing to let you know the outcome.

The work your group does for the community was very much admired by the National Assessment Committee. However, I am sorry to say that in the end it was not among those selected to receive the award this year. The Queen's Award for Voluntary Service is the highest accolade given to volunteer groups across the UK and the very fact that you were nominated independently for this honour shows how highly local people think of you. I hope that your volunteers will be able to take great pride in this.

Our local and national assessors were impressed by your substantial achievements in supporting your local community. Please convey to your volunteers and staff our warm appreciation of all you do. We hope that your success continues well into the future.

*With very best wishes - and special thanks
for the key role you are playing in your
community in these unprecedentedly difficult
times!
Martyn Lewis*
