Medical Work Experience Simulation

Lincoln Medical School – 16th of July 2022

This new programme, run by medical students, will provide a day of simulated work experience to strengthen your medical application. The sessions will include;

- Simulated patients
- Taking a History + Examinations
- Emergency scenarios
- Learning practical skills

For application details and more info visit our website > [Training and Events](#) > [Futures Programme](#).

Deadline for applications is the 29th of June.
